HAKKIMIZDA

Şirketimiz üç kuşak önce 50 metrekarelik küçük bir marangoz atölyesinde sınırlı imkânlarıyla başlayan iş hayatında kazandığı deneyimleri, kurumsallaşma hamlesiyle ileriye taşıyarak orman ürünleri sektöründe bulunan tüm paydaşların saygısına mazhar olmuştur.

2000'li yıllarda ülkemizde inşaat sektörünün hızlı bir yükseliş ivmesi yakalaması ile 2007 yılından itibaren ahşap iç oda kapılarına yönelik **yarı mamul ve mamul üretimine profesyonel olarak başlamıştır.**

Geldiğimiz noktada 7000 m² kapalı olmak üzere toplam 10.000 m²lik bir alanda modern makine parkurunu tamamlayarak yıllık 60.000 adet kapı üretimi yapar hale gelmiştir.

Bununla birlikte Türkiye'nin önde gelen firmalarına ait Laminat Parke, Kraft Petek ve Compak Laminat bayilikleri alınmış,

akabinde Compak Laminat ürünleri ile Laminat Parke satış ve montajına başlanmıştır.

2018 yılı itibariyle Afrika ve Orta Doğu ülkelerine ihracat seferberliği başlatılmış olup, bu kapsamda hayli mesafe alınmıştır.

Firmamız, ilkeli rekabet ve sürdürülebilir büyüme ile ülkemiz ekonomisine ve toplumumuza katkıda bulunmayı kendisine misyon olarak kabul edinmiştir. Bu kapsam dahilinde ikinci firmamız UNILAM'ı kurarak, yarı mamul ürünler sektöründe yüksek kaliteli **Melamin Kapı Yüzeyi ve Kapı Fitolü** üretimine de başlamış olup, en üst seviyede müşteri memnuniyetini, ödün vermediğimiz kalite anlayışımız ile ülkemizin tanınmış markaları arasında yerini alma hedefine doğru emin adımlarla ilerlemekte; UNILAM ile ALA KAPI MOBİLYA güvencesi altında hizmetimize devam etmekteyiz.

ABOUT US

Our company has gained the respect of all stakeholders in the forestry products since it's start at a 50 sqm workshop 3 generations ago.

With the rapid growth momentum of the construction sector in our country in the 2000s, in 2007 we professionally started producing semi-finished and finished interior doors.

At this moment, with new investments we have upgraded our machinery park in a total area of 10.000 m², of which 7000 m² is closed, and has been producing 60.000 doors per year.

Along with these developments, we have the franchise of Turkey's leading companies of laminate flooring, laminate kraft honeycomb paper and COMPAK manufacturers and started selling and instilling them.

Our company has adopted it as a mission to contribute to our country's economy and society with principled competition and sustainable growth. Within this scope, by establishing UNILAM, our second company has started manufacturing high quality melamine door surface and door seal in the semi-finished products sector, and is taking firm steps towards the goal of taking its place among the well-known brands of our country with our understanding of quality that we do not compromise.
